

We're thrilled to welcome everyone to the 25th Year Anniversary of the HESI Annual Meeting! During the last 25 years, HESI has grown into a well-respected organization that has contributed to the advancement of numerous important health and environmental topics. We're extremely proud of our healthy tripartite model and the key partnerships we have with industry, regulatory agencies, NGOs and academic organizations. HESI has evolved to be an organization with a recognized track record of effectively bringing together key stakeholders with diverse perspectives to tackle today's complex issues and produce consensus documents that have high impact on shaping the future discussions of scientifically driven decision-making processes.

We have an exciting line up of speakers and presentations this year, including a session on HESI – Past, Present and Future to celebrate this 25th year. A number of important contributors to HESI over the years will participate in this very special event. Please enjoy the science, the history and a look towards the future. We are interested in your feedback on the meeting and on how to make HESI an even greater organization!

Cordially, the HESI President and Chair of the Board

Laurie A. Hanson, DVM, PhD, DABT
HESI President

Kendall B. Wallace, PhD
Chair, HESI Board of Trustees

2014 HESI Annual Meeting Agenda of Events

Tuesday, June 10, 2014

- 8:00 a.m. – 9:00 a.m.** **Registration**
Washington Ballroom Foyer
- 9:00 a.m. – 10:30 a.m.** **HESI Finance Committee Meeting**
Thomas Board Room Open to HESI Finance Committee Members and Staff
- 11:00 a.m. – 12:00 a.m.** **HESI Assembly Business Meeting/ HESI Official Representative Training/Discussion Session**
Washington Ballroom
For HESI Official Representatives and their delegates. *Other attendees may participate as observers.*
- Objective:* This brief session, led by HESI's President Dr. Laurie Hanson, is directed to members of HESI's Assembly (i.e., HESI's Official Representatives from HESI Sponsor companies). The primary objectives of this session are to vote on candidates for HESI's Board of Trustees and Emerging Issues Committee; provide updates on organizational status, and provide informational training on the role of the Official Representative in the HESI organization. Only Official Representatives may participate in the voting, but anyone may attend the session.
- 12:00 p.m. – 12:30 p.m.** **Lunch**
Washington Ballroom Foyer Lunch buffet provided
- 12:30 p.m. - 2:15 p.m.** **HESI CITE 'Mini-symposium': Creating Scientific Impact & Innovation Through Effective Collaborations**
Washington Ballroom Open to all registrants
- Speakers:*
- Welcome – Syril Pettit, MEM, HESI
 - Introduction and the CSSI Approach to Innovative Teams - Jerry Lee, PhD, NCI Center for Strategic Scientific Initiatives
 - Resource Use – Spurring Efficient Innovation through CrowdSourcing – the Harvard Catalyst Model – Eva Guinan, MD, Harvard Medical School
 - Evaluating Impact of NIH Clinical and Translational Science Awards Programs – Deborah DiazGranados, PhD, Virginia Commonwealth University
 - HESI's Role in Translational Science via CITE – Brian Berridge, DVM, PhD, GlaxoSmithKline, HESI Trustee
- 2:15 p.m. – 2:45 p.m.** **Break**
- 2:45 p.m. – 6:15 p.m.** **HESI Opening Science Plenary: 25 Years of Positive Impact on Science and Health**
Washington Ballroom Open to all registrants
- Objective:* This session will provide participants with a view of the history, growth, and future of HESI – both as an organization and as a leading scientific resource. Perspectives from past and current leaders as well as featured HESI scientific projects will be highlighted.

Speakers:

- Welcome – Syril D Pettit, MEM, HESI Executive Director
- Session Overview – Kendall Wallace, PhD, University of Minnesota Medical School, HESI Chair
- The Founding of HESI– A Look Back - Gilbert Omenn, MD, PhD, University of Michigan
- 25 Years of Impact and Achievement – Kendall Wallace, PhD, University of Minnesota Medical School, HESI Chair
- A Perspective on HESI’s Scientific Committees – Michael P Holsapple, PhD, Covance, Former HESI Executive Director (2002-2011)
- Developmental and Reproductive Toxicology Technical Committee – Wafa Harrouk, PhD, US FDA, Committee Co-chair
- Bioaccumulation Technical Committee – John Nichols, PhD, US EPA, Committee Co-chair
- Genetic Toxicology Technical Committee – Stefan Pfuhler, PhD, Procter & Gamble Company, Committee Co-chair
- Risk21 Technical Committee – Alan Boobis, OBE, PhD, Imperial College London, Committee Co-chair
- HESI Looking Forward – the Next 25 Years – Syril D Pettit, MEM, HESI Executive Director
- Adjournment – Kendall Wallace, PhD, University of Minnesota Medical School, HESI Chair

6:15 p.m. – 9:00 p.m.

The Promenade

Reception and Keynote Lecture – Alan Leshner, MS, PhD, Chief Executive Officer of the American Association for the Advancement of Science and Executive Publisher of the journal Science

7:15 pm

The Promenade

HESI at 25! A World Premiere Video Retrospective

Open to all registrants

Wednesday, June 11, 2014

8:00 a.m. – 9:00 a.m.

Washington Ballroom Foyer

Registration

8:00 a.m. – 9:00 a.m

Washington Ballroom Foyer

Continental Breakfast

Open to all registrants

9:00 a.m. – 12:30 p.m.

Science Session: Bridging Technical Disciplines & Scientific Partners for Improved Human & Environmental Health: Perspectives from Nonprofit Thought Leaders

Open to all registrants

Objective: This session will feature innovative approaches, in the non-profit world, to build effective partnerships across the public and private sector, and across technical disciplines. These partnerships all seek to effectively meet critical health and environmental challenges with fit-for-purpose research design and implementation.

Speakers:

- Session Chair, HESI Trustee Martin Philbert, PhD, Dean, University of Michigan School of Public Health
- Advancing a Quality of Life Agenda: Innovation, Ingenuity & Advocacy – Rebecca Kirch, JD, Director, Quality of Life and Survivorship, American Cancer Society
- Generating Tailored Solutions from Big Data: The Future of Health and Environmental Data Interrogation. In Silico Modeling of Systems Biological Networks – Nathan Price, PhD, Institute for Systems Biology
- Innovative Approaches to Partnership to Support Public Health – Jason Clay, PhD, Senior Vice President of Market Transformation, World Wildlife Fund
- Panel Discussion on the Future of Global Health Partnership – Led by HESI Trustee Martin Philbert, PhD, Dean, University of Michigan School of Public Health

12:30 p.m. – 2:00 p.m.
Washington Ballroom Foyer

Lunch
Lunch buffet provided

2:00 p.m. – 5:30 p.m.
Washington Ballroom

HESI Emerging Issues Session
Open to all registrants

Objective: This session will introduce HESI's various project mechanisms, and provide technical briefings on scientific proposals selected for prioritization by the HESI stakeholder community. The session will include an open discussion about future scientific opportunities.

5:30 p.m. – 7:00 p.m.
Washington Ballroom Foyer

Networking Wine and Cheese Mixer
Open to all registrants

Thursday, June 12, 2014

7:30 a.m. – 8:30 a.m.
Washington Ballroom Foyer

Registration

7:30 a.m. – 8:30 a.m.
Washington Ballroom Foyer

Continental Breakfast
Open to all registrants

8:30 a.m. – 10:30 a.m.
Washington Ballroom

Joint Meeting: HESI Board Program Strategy & Stewardship and HESI Emerging Issues Committees
Open to PSSC and EIC Members, Staff and New Trustees

Objective: The objective of this meeting is to discuss strategic enhancement of the HESI scientific portfolio.

11:00 a.m. – 3:15 p.m.

Washington Ballroom

HESI Board of Trustees Meeting

HESI Board Trustees, Emerging Issues Committee, HESI Official Representatives, and Invited Guests

(Please note that space is limited and that non-Board Trustees may attend *only as observers*)

Objective: This session is the HESI Board of Trustees semi-annual organizational business and strategy meeting.
