
HESI Looking Forward – the Next 25 Years

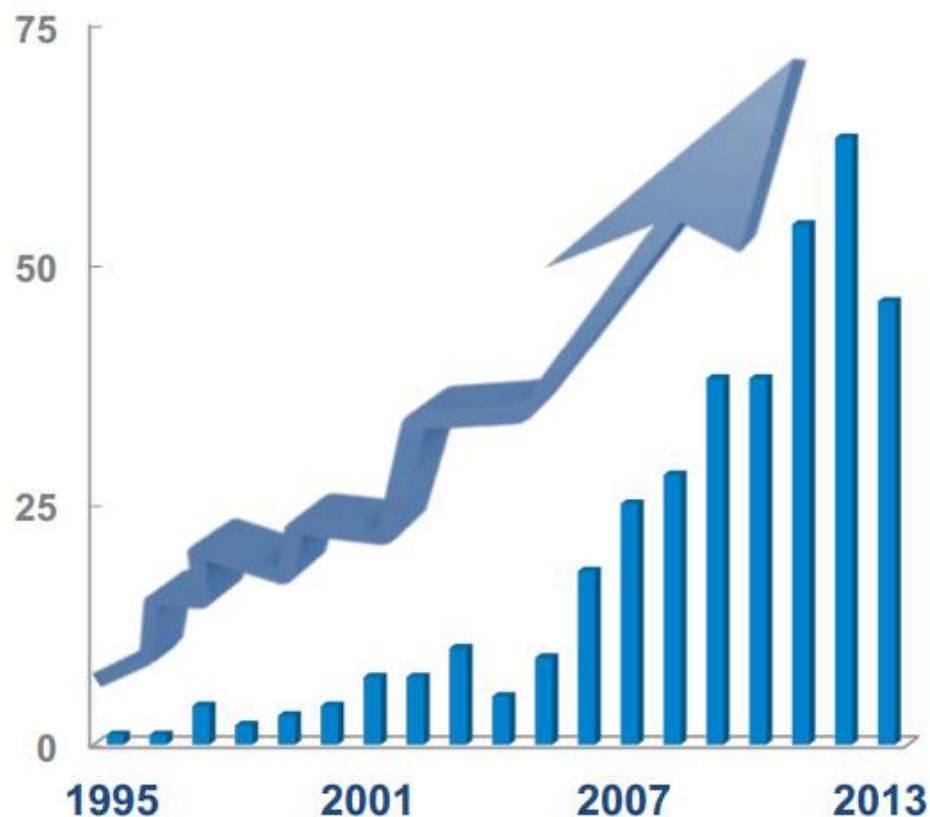

Syril D Pettit, MEM
HESI Executive Director

June 10, 2014

ILSI Health and
Environmental Sciences
Institute

will the numbers continue to rise?

387 consortia launched
(1995-2014)

50 % focused on
specific disease

44 % started by a
government agency

17 % started by
industry

Think different.

**The best vision
is insight.**

Future Leaders

HESI

A truly visionary organization embraces
both ends of a continuum:
continuity *and* change,
conservatism *and* progressiveness,
stability *and* revolution,
predictability *and* chaos,
heritage *and* renewal...

Jim Collins, Author,
Good to Great
