

HESI Annual Meeting

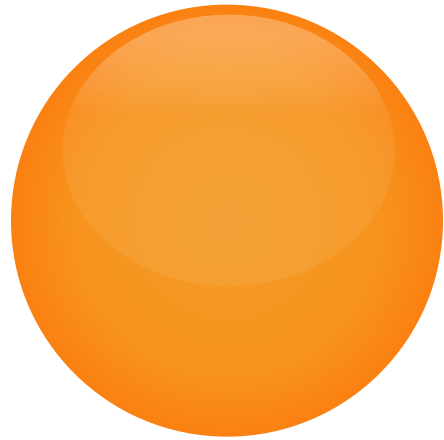

June 7, 2016 

Case Studies 2016

from research to
application

HOW DOES HESI ...

CONVENE, TRANSLATE, & PROTECT?

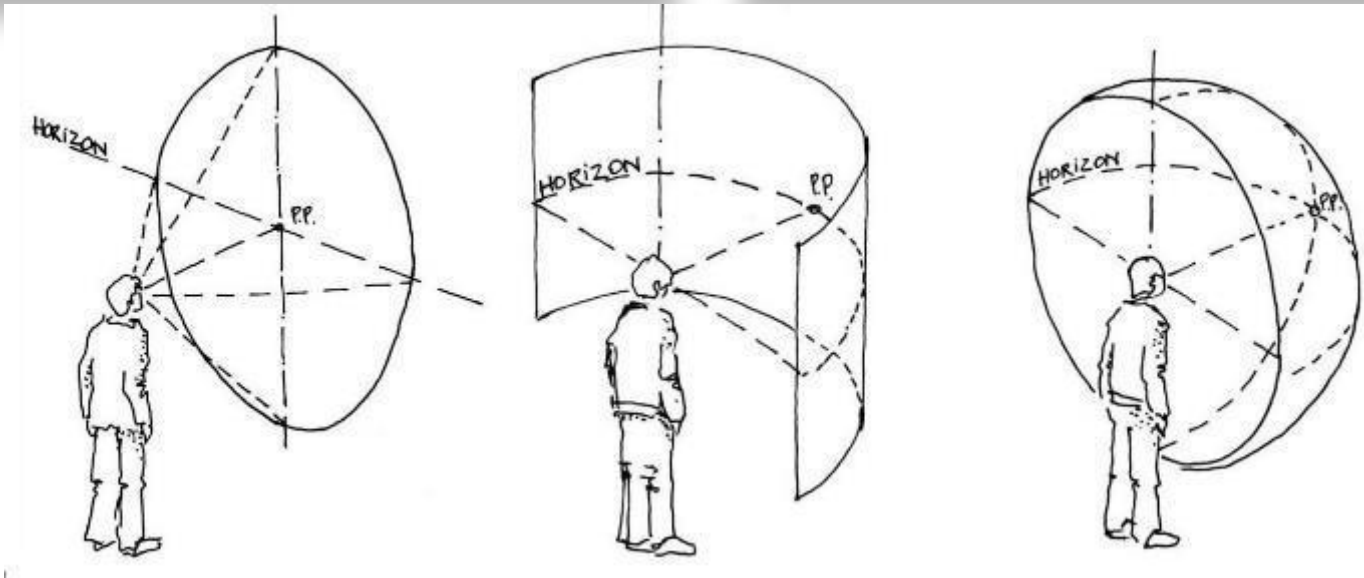

There is no single HESI model...

Approaches are tailored to the scientific challenge
and its intended impact

Parts, Players, and Perspectives

1
Enhancing
Biological
Knowledge

2
Building
Confidence for
Decision-Making

3
Creating Novel
Decision-
Frameworks

4
Shaking
things up!

Enhancing Biological Knowledge

Systems biology and novel discovery at HESI

Building confidence in data for decision-making

Ring Trials and Reproducibility at HESI

Moving information into decisions

Novel decision and data integration frameworks at HESI

Shaking things up

Re-envisioning safety assessment to improve protection —
