HESI Looking Forward – the Next 25 Years

Syril D Pettit, MEM
HESI Executive Director

June 10, 2014
will the numbers continue to rise?

- 387 consortia launched (1995-2014)
- 50% focused on specific disease
- 44% started by a government agency
- 17% started by industry
Think different.
The best vision is insight.

Global Vision

HESI
Future Leaders
A truly visionary organization embraces both ends of a continuum: continuity and change, conservatism and progressiveness, stability and revolution, predictability and chaos, heritage and renewal…  

Jim Collins, Author, Good to Great
