

HESI®

ILSI Health and Environmental Sciences Institute

HESI Development of Methods for a Tiered Approach to Assess Bioaccumulation of Chemicals Project Committee

Workshop: Moving bioaccumulation assessments to the next level: progress made and challenges ahead

February 8 – 10, 2011

Crowne Plaza Old Town Alexandria
901 North Fairfax Street
Alexandria, VA

Participants

Jon Arnot
University of Toronto Scarborough
Toronto, ON
Canada
jon.arnot@utoronto.ca

Mary Jo Bernhard
Procter and Gamble Company
Cincinnati, OH
United States
bernhard.mj@pg.com

Mark Bonnell (via telephone)
Environment Canada
Gatineau, Quebec
Canada
mark.bonnell@ec.gc.ca

Robert Boethling
U.S. Environmental Protection Agency
Washington, DC
United States
boethling.bob@epa.gov

Lisa Constantine
Pfizer
Groton, CT
United States
lisa.a.constantine@pfizer.com

Christina Cowan-Ellsberry
CE² Consulting, LLC
Cincinnati, OH
United States
cellsberry@gmail.com

Benjamin de Jourdan
University of Guelph
Guelph, Ontario
Canada
bdejourd@uoguelph.ca

Jean Domoradzki
Dow Corning Corporation
Auburn, MI
United States
jean.domoradzki@dowcorning.com

Ken Drouillard
University of Windsor
Windsor, ON
Canada
kgd@uwindsor.ca

Scott Dyer
The Procter & Gamble Company
Cincinnati, OH
United States
dyer.sd@pg.com

Michelle Embry
HESI
Washington, DC
United States
membry@ilsi.org

Susan Erhardt
Michigan State University
Lansing, MI
United States
serhardt@msu.edu

Beate Escher
The University of Queensland
Brisbane, Qld
Australia
b.escher@uq.edu.au

Kellie Fay
U.S. Environmental Protection Agency
Duluth, MN
United States
fay.kellie@epa.gov

Joseph Ford
U.S. Environmental Protection Agency
Washington, DC
United States
ford.joe@epa.gov

Takashi Fukushima
Ministry of Economy, Trade and Industry
Tokyo
Japan
fukushima-takashi@meti.go.jp

Marc Geurts
AkzoNobel
Arnhem
Netherlands
marc.geurts@akzonobel.com

Patrick Guiney
S.C. Johnson & Son, Inc.
Racine, WI
United States
pdguiney@scj.com

David Hala
University of North Texas
Denton, TX
United States
david.hala@unt.edu

Marlies Halder
EC, Joint Research Centre
Ispra
Italy
marlies.halder@jrc.ec.europa.eu

Xing Han
DuPont
Newark, DE
United States
xing.han@usa.dupont.com

Gregg Hancock
Waterborne Environmental, Inc.
Leesburg, VA
United States
hancockg@waterborne-env.com

Tala Henry
U. S. Environmental Protection Agency
Washington, DC
United States
henry.tala@epa.gov

Robert Hoke
DuPont
Newark, DE
United States
robert.a.hoke@usa.dupont.com

Karla Johanning
Life Technologies
Austin, TX
United States
karla.johanning@lifetech.com

Anne Kim
U.S. Environmental Protection Agency
Washington, DC
United States
kim.anne@epa.gov

Jung-Hwan Kwon
Ajou University
Suwon
Republic Of Korea
jhkwon@ajou.ac.kr

Jacques L'Haridon
L'Oréal
Aulnay-sous-Bois
France
jlharidon@rd.loreal.com

Mark Lampi
ExxonMobil Biomedical Sciences, Inc.
Annandale, NJ
United States
mark.a.lampi@exxonmobil.com

Marc Léonard
L'Oréal
Aulnay sous bois
France
mleonard@rd.loreal.com

Peter Lepper
European Chemicals Agency
Helsinki
Finland
peter.lepper@echa.europa.eu

Ryan Manning
ExxonMobil Biomedical Sciences, Inc.
Annandale, NJ
United States
ryan.manning@exxonmobil.com

Philipp Mayer
NERI, Aarhus University
Roskilde
Denmark
phm@dmu.dk

Alene McCoy
The Dow Chemical Company
Midland, MI
United States
amccoy@dow.com

Michael McLachlan
Stockholm University
Stockholm
Sweden
michael.mclachlan@itm.su.se

Daniel Merckel
Environment Agency
Wallingford, Oxfordshire
United Kingdom
daniel.merckel@environment-agency.gov.uk

Bob Mingoia
DuPont
Newark, DE
United States
robert.t.mingoia@usa.dupont.com

Derek Muir
Environment Canada
Burlington, ON
Canada
derek.muir@ec.gc.ca

Diane Nabb
DuPont Haskell Global Centers for
Health and Environmental Sciences
Newark, DE
United States
diane.l.nabb-1@usa.dupont.com

Larry Newsome
U.S. Environmental Protection Agency
Washington, DC
United States
newsome.larry@epa.gov

John Nichols
U.S. Environmental Protection Agency
Duluth, MN
United States
nichols.john@epa.gov

Thomas Parkerton
ExxonMobil Biomedical Sciences, Inc.
Annandale, NJ
United States
thomas.f.parkerton@exxonmobil.com

Lene Petersen
University of North Texas
Denton, TX
United States
lene.petersen@unt.edu

Sara Pollack
U.S. Environmental Protection Agency
Washington, DC
United States
pollack.sara@epa.gov

Cristina Quinn
University of Toronto Scarborough
Toronto, ON
Canada
c.quinn@utoronto.ca

Caren Rauert
Umweltbundesamt - Federal Environment
Agency
Dessau-Rosslau
Germany
caren.rauert@uba.de

Daniel Salvito
RIFM
Woodcliff Lake, NJ
United States
dsalvito@rifm.org

Keith Sappington
U.S. Environmental Protection Agency
Washington, DC
United States
sappington.keith@epa.gov

Kristin Schirmer
Eawag, Switzerland
Dübendorf
Switzerland
kristin.schirmer@eawag.ch

Irvin Schultz
Battelle Pacific NW National Laboratory
Marine Sciences Lab
Sequim, WA
United States
irv.schultz@pnl.gov

Helmut Segner
University of Bern
Bern
